DEW POINT TRADING

— Your Key to Successful Trading —

02

WHO WE ARE

Established in 2024, Dew Point is a UAE-based integrated supply and project solutions provider with operations in Abu Dhabi and Dubai, serving the Oil & Gas, Energy, Petrochemical, Power, Infrastructure, Construction, and Industrial sectors.

We provide a comprehensive portfolio of PVF, Electrical & Instrumentation, Mechanical, Industrial, Civil, and HSE solutions, supported by reliable sourcing, technical coordination, procurement, logistics, and project support services.

Through a strong network of manufacturers, technology providers, and supply partners, Dew Point delivers quality products, competitive solutions, responsive service, and dependable project execution — supporting our clients from initial enquiry and technical evaluation through procurement, coordination, and final delivery.

As a UAE ICV-Certified company, Dew Point is committed to supporting local value creation while combining regional responsiveness with global sourcing capabilities.

OUR VISION, MISSION & CORE VALUES

OUR VISION

To become a trusted regional partner for industrial supply and project solutions, recognized for reliability, technical capability, and long-term customer value.

OUR MISSION

To simplify project procurement by connecting our clients with reliable products, manufacturers, technical expertise, and efficient supply-chain solutions under one trusted partner.

OUR CORE VALUES

RELIABILITY

QUALITY

INTEGRITY

RESPONSIVENESS

PARTNERSHIP

CONTINUOUS
IMPROVEMENT

04

INTEGRATED SUPPLY SOLUTIONS

Dew Point provides comprehensive sourcing and supply solutions tailored to the technical, commercial, and delivery requirements of industrial and EPC projects.

PVF SOLUTIONS

Pipes, valves, fittings, flanges, and related accessories.

ELECTRICAL & INSTRUMENTATION

Cables, panels, instruments, automation, lighting, and earthing systems.

MECHANICAL & INDUSTRIAL

Pumps, equipment, HVAC-related products, tools, and maintenance supplies.

CONSTRUCTION & CIVIL SUPPLIES

Structural, building, civil, steel, and project-specific materials.

SAFETY & HSE SOLUTIONS

PPE, gas detection, respiratory, fall protection, fire, and safety products.

ONE PARTNER. MULTIPLE CATEGORIES. RELIABLE PROJECT SUPPLY.

RELIABLE SUPPLY. TECHNICAL EXPERTISE.

PROJECT SUPPORT.

TECHNICAL & PROJECT SERVICES

A-PROCUREMENT SUPPORT

We provide expert technical and procurement support to ensure the right products, from the right sources, delivered at the right value.

01.

TECHNICAL PRODUCT SUPPORT

Specification review, product selection, technical documentation and compliance guidance to ensure the best technical fit for your projects.

02.

PROCUREMENT & STRATEGIC SOURCING

Identification of reliable manufacturers and sourcing solutions that balance technical compliance, quality, cost-effectiveness, availability and on-time delivery.

03.

VENDOR & MANUFACTURER COORDINATION

Single-point coordination with manufacturers, suppliers, inspection agencies and logistics partners for smooth project execution.

B-PROJECT COORDINATION & AFTER-SALES SUPPORT

We manage the entire supply journey and remain by your side to ensure project success and long-term satisfaction.

01.

PROJECT SUPPLY & MATERIAL COORDINATION

Managing and coordinating project requirements from RFQ and procurement through delivery, ensuring timely supply and complete documentation.

02.

INSPECTION, DOCUMENTATION & COMPLIANCE SUPPORT

Providing material certificates, technical data sheets, conformity certificates, inspection documents, traceability records, and third-party inspection coordination.

03.

SITE & AFTER-SALES SUPPORT

Technical clarifications, replacement coordination, additional requirements, and ongoing support even after delivery.

RELIABLE SUPPLY. TECHNICAL EXPERTISE.

PROJECT SUPPORT.

SUPPLY CHAIN & LOGISTICS

INDUSTRIES WE SERVE

Dew Point supports clients across major industrial and infrastructure sectors through reliable supply, technical expertise, and project support services.

1. Oil & Gas

Upstream, midstream, and downstream project support.

2. Energy

Supply solutions supporting conventional and emerging energy projects.

3. Petrochemical

Industrial products and project materials for petrochemical facilities.

4. Power & Utilities

Electrical, mechanical, and infrastructure requirements.

5. Infrastructure & Construction

Civil, structural, and project supply solutions.

6. Industrial & Manufacturing

Support for operations, maintenance, upgrades, and facilities.

QUALITY, HSE & COMPLIANCE

QUALITY WITHOUT COMPROMISE

Dew Point integrates quality, safety, and compliance into every stage of the sourcing and supply process. We work with reliable manufacturers and suppliers while maintaining a strong focus on technical compliance, documentation, traceability, and project-specific requirements.

PRODUCT QUALITY

High-quality products from reputable manufacturers meeting international standards.

TECHNICAL COMPLIANCE

Compliance with technical specifications, industry standards, and project requirements.

MANUFACTURER RELIABILITY

Trusted manufacturers with proven records of quality, performance, and delivery.

MATERIAL TRACEABILITY

Complete traceability from manufacturer to site, ensuring full transparency.

DOCUMENTATION CONTROL

Complete certificates, test reports, datasheets, and compliance records.

HSE AWARENESS

Safe practices and awareness of Health, Safety, and Environment at every step.

CONTINUOUS IMPROVEMENT

Continuous assessment and process improvement to deliver greater value to our clients.

UAE ICV CERTIFIED

Committed to local value creation and sustainable economic growth.

Compliance Driven

Quality Assured

Safety Focused

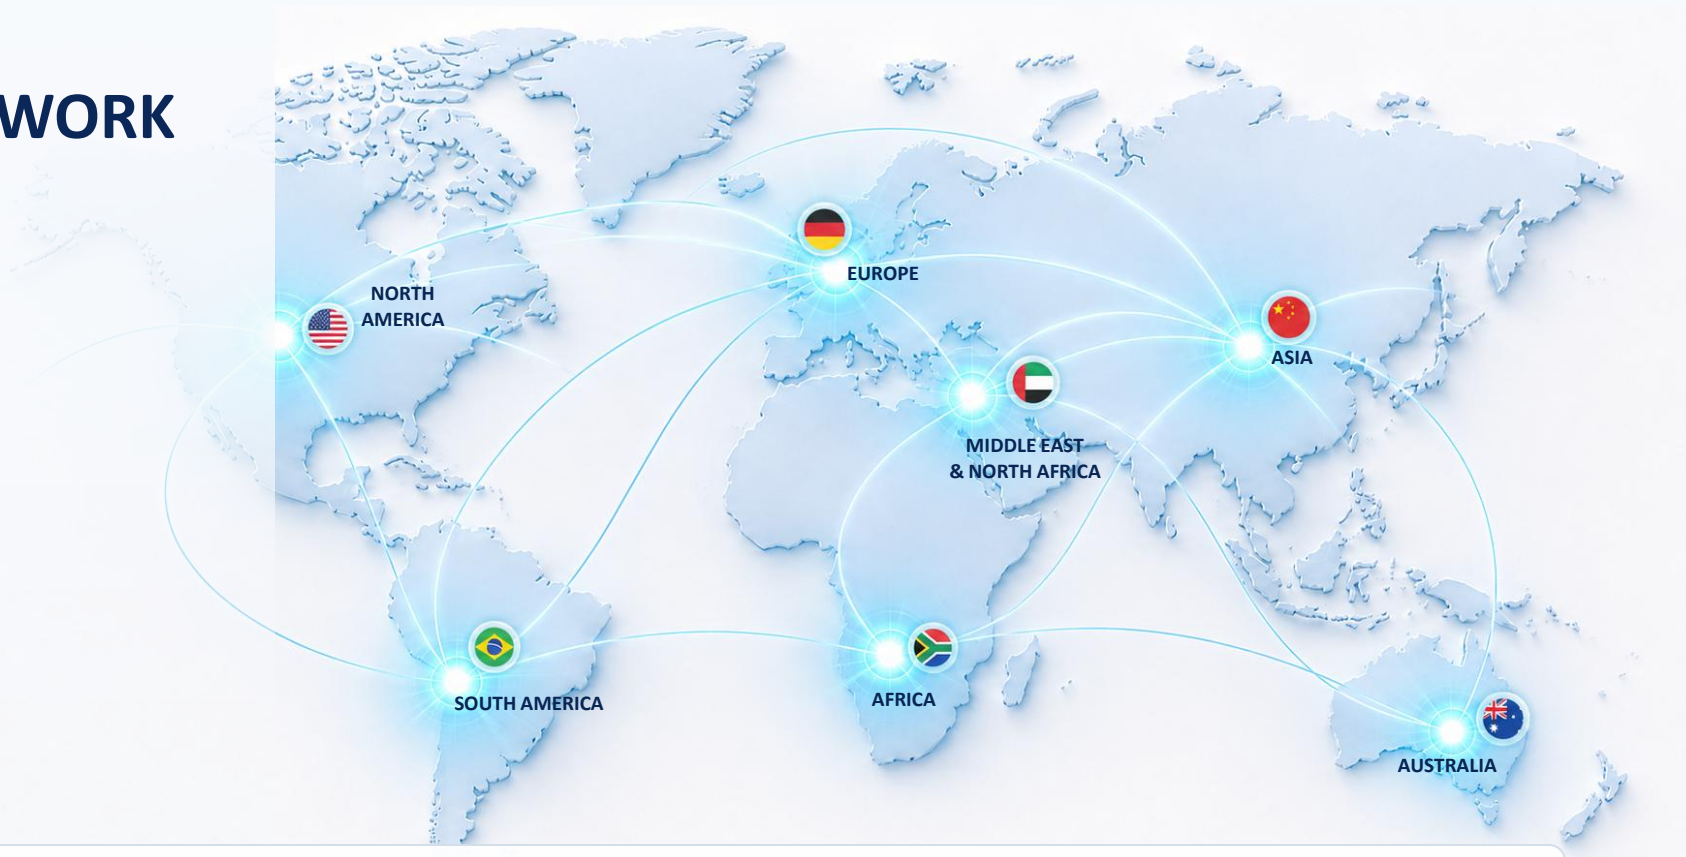

Improvement Continuous

OUR PARTNERS & GLOBAL SOURCING NETWORK

Global Reach. Local Support.
